Modernize Your Accounting Services with Xero

Meet Xero CEO, Rod Drury!

Xero has been busy disrupting the world of accounting software. From day one, they set up their online accounting solution in the cloud – and in the process, changed the way we all work.

Thanks to Xero, accountants and their clients:

- Save time by updating and correcting thousands of line items in minutes
- Work together in real-time – anytime, anywhere
- Incur no user fees
- Say goodbye to forced software installs and file sharing
- Enjoy seamless updates
- Can customize their Xero experience with 500+ add-on tools
- Keep working with 99.99% best-in-class uptime

Includes complete breakfast buffet, 2 CPE credits and giveaways

Join us for an informative and hands-on workshop, led by CPA technologist and thought leader, Donny Shimamoto, CPA-CITP, CGMA – and featuring Xero CEO, Rod Drury.

Learn more about Xero's beautiful accounting software, time-saving features, collaborative workflow, ecosystem of leading add-ons and more. Discover the free and easy tools to migrate your clients from QuickBooks (desktop) to Xero.

Seating is limited and registration is required to attend. And bring your laptop for the full Xero experience.

Bring your laptop (wireless will be available) and experience what "beautiful accounting software" feels like!
